EMS Group Ltd benefit from over 20 years of experience within the trading and managing of assets to include, vehicles, plant, machinery, equipment, bankrupt stock, property and land.

We have over the years worked with most of the recognized Insolvency Practitioners throughout the country, involving the collecting, storing, marketing and disposal of all types of assets.

From our 3 acre facility in Wigan, we operate a very secure operation, benefiting from 24 hour monitored security. The yard and offices also facilitate online sales and live auctions, with plenty of room for customer parking and viewing."
